

Woodpile

Ah-way down South where the cocks do crow **hey**

**Way down in Florida**

Them girls all dance to the old banjo

**And we'll roll the woodpile down**

**Rollin' Rollin Rollin' Rollin**

**Rollin' the whole world round!**

**That fine gal a-mine's on the Georgia line**

**And we'll roll the woodpile down!**

Oh, what can you do in Tampa Bay? **hey**

**Way down in Florida**

But give them pretty girls all your pay

**And we'll roll the woodpile down**

**Rollin' Rollin Rollin' Rollin**

**Rollin' the whole world round!**

**That fine gal a-mine's on the Georgia line**

**And we'll roll the woodpile down!**

We'll roll'em high, and we'll roll'em low! **hey**

**Way down in Florida**

We'll roll'er up and away we'll go

**And we'll roll the woodpile down**

**Rollin' Rollin Rollin' Rollin**

**Rollin' the whole world round!**

**That fine gal a-mine's on the Georgia line**

**And we'll roll the woodpile down!**

Oh, roust and bust her is the cry **hey**

**Way down in Florida**

A sailor's wage is never high

**And we'll roll the woodpile down**

**Rollin' Rollin Rollin' Rollin**

**Rollin' the whole world round!**

**That fine gal a-mine's on the Georgia line**

**And we'll roll the woodpile down!**

Oh, one more pull and that will do **hey**

**Way down in Florida**

For we're the boys to kick her through

**And we'll roll the woodpile down**

**Rollin' Rollin Rollin' Rollin**

**Rollin' the whole world round!**

**That fine gal a-mine's on the Georgia line**

**And we'll roll the woodpile down!**
